Reminder: Attend your four club meetings by May 31st

As a reminder, to be a member in good standing in Kewaunee County 4-H and show as a member at the Kewaunee County Fair, you need attend four club meetings by May 31, 2019 and maintain your member expectations that you signed when you enrolled in 4-H.

Most clubs have nine to twelve meeting a year. Therefore, even if you have to miss a few meetings due to other activities (work, practice, sports, etc.) there should still be an ample amount of meetings for your family to attend and meet this requirement.

The exception to this requirement is for youth in grade 13 (college) because it is understood that those members may not be able to make it back to the county on a regular basis to attend monthly club meetings.

If you are wondering how many meetings that you have attended this year, please contact your club leader.

State 4-H Horse Association Handbook Updated

Horse project members and leaders, the 4-H Horse Association Handbook has now been updated for 2019! The Horse Handbook is located at https://fyi.uwex.edu/wi4haganimalscience/wi-4-h-horse-assn-handbook/

The handbook has tons of information related to state educational contests, shows, rules, resources, and contact information. If you are a horse project member or leader, please take a look at this resource.

What are you doing in your club?

Something fun, new, exciting, interesting, educational, or helping the community? Send us your pictures. We would love to feature some of them in upcoming newsletters.

Pilsen Skylighters members were doing all sorts of fun things in December from ringing bells for the Salvation Army to making gingerbread houses and club holiday party bowling.

The Bells of Luxemburg 4-H Club looks like they had a blast in December from making Christmas wreaths and an ugly Christmas Sweater party to decorating nursing home facility resident's doors for the holiday season. There was so much fun and sense of community!

Bearing the message “4-H Empowering Youth”, the plate offers the opportunity to show support of the 4-H program, as well as make a financial contribution. The sale of each license plate will include a monetary contribution to the Wisconsin 4-H Foundation.

Half of the proceeds from every plate sale will go back to the county in which the plate was purchased and the other half will be used for state and regional 4-H programs. Counties with license plate sales will receive a disbursement from the Foundation on a yearly basis, with a check payable to the county leader’s association. The funds may be used to support the county 4-H program under the direction of the County Educator.

Vehicles that qualify for the 4-H license plate include:

- Automobiles
- Motor homes (annual registration only)
- Motor trucks
- 4,500, 6,000 or 8,000 pounds gross weight including dual purpose farm and dual purpose motor home
- 12,000 pounds gross weight farm truck

- The regular registration fee for the vehicle if the current plates expire within three months or the vehicles has no plates.
- \$15 issuance fee or an annual \$15 personalized plate fee, if requested.
- \$25 annual donation. The donation may be deductible.

4-H license plates may be personalized by paying a \$15 personalized plate fee each year in addition to the \$25 donation and regular annual registration fee. With each annual license plate renewal, 4-H supporters will pay the regular registration fee for non-personalized 4-H license plates and the \$25 donation.

Contact the Wisconsin Department of Transportation directly or visit www.wisconsin.gov/Documents/formdocs/my2969.pdf for more information about the process to order the plate.

Presenters Sought for 2019 Project Day

We want you as a presenter at Project Day 2019! We would love to have older youth and adult volunteers share their talents with 1st – 6th grade students from throughout Kewaunee County. Past sessions have featured hands-on learning and activities in areas like arts and crafts, painting, animal science, foods, woodworking, team building, leadership and much more.

Project Day is tentatively scheduled for Saturday, February

23, 2019 at the Luxemburg-Casco High School. There will be a welcome around 9:45, the first session begins at 10:00 am, and the last session ends at 2:45 pm with lunch from 12:00 pm to 12:30 pm. The program is open to youth in 1st to 6th grade. Each session lasts 50 minutes with a 10 minute travel/break time between sessions. If your session is more in-depth, we can combine two sessions, which would give you a total of 110 minutes for your session.

If you or anyone you know of anyone else who could provide their talent and teach a class, we would love to talk to you about the details and Project Day experience. Please call Jill at (920)388-7185 or drop me a line at jill.jorgensen@uwex.edu.
